

Bethany Christian Schools Contest Travel Release Form

Riding the bus is important. The riding of the team bus creates a bond—a team unity among players and coaches. It is a sanctuary where athletics can commiserate after a loss or celebrate after a victory. It is an education classroom where coaches can discuss team goals, strategies, and give instruction. It is a place where the athletes and coaches can communicate without any interruptions or outside interference. It is an environment that cannot be duplicated or recaptured at any other time than at that moment.

You take these experiences, opportunities, and more away from your child and our teams when you transport them to or from a contest. Under certain circumstances or exceptional situations, athletes may be excused from riding either to or from an athletic event.
